

Payback Time

DJ Aligator

I'll be a witness
To the fact
That all I can be is me
There will be no delays today
This ride is for free
So I welcome you all aboard

This Is The Payback Time
This Is The Payback Time

Be Brave
Do what you feel is right
Stand up, step into the light
I am all that you see, so :

This Is The Payback Time
This Is The Payback Time

Feel free, listen to your inner voice
Let go, cause you don't have the choice
Be all that you can be, and you never

This Is The Payback Time
This Is The Payback Time
This Is The Payback Time
This Is The Payback Time
