Oh, oh, oh, oh
Party time
Let's get together cause the feeling's fine
Oh, oh, oh, oh
Let's go

Everybody around the world
Black and white
All the boys and girls
Sing along if s a simple song
We're goin' crazy tonight

Party time
Let's get together cause the feeling's fine
Oh, oh, oh, oh
Party time
Let's get together cause the feeling's fine
Oh, oh, oh, oh
Let's go

Siguelo bailando que llego el party time
La fiesta es hasta manana asi sabes la que hay
Apaga el celular enciendes la felicidad
Que la vida es una sola y no hay tiempo para llorar

Party time
Let's get together cause the feeling's fine
Oh, oh, oh, oh
Party time
Let's get together cause the feeling's fine
Oh, oh, oh, oh
Let's go

A ton of rum and Coca Cola
Everyone tipsy tonight
Pretty girls about I wanna kiss one
Make love till the morning light
Have fun now forget about your problems
Everything's gonna be alright
Come now everybody put your hands up
It's always party time

Comeon now here we go
Everyone's goin' dancin'
Subes las manos y veras
Como se enciende mi party

Party time
Let's get together cause the feeling's fine
Oh, oh, oh, oh

Party time
Let's get together cause the feeling's fine
Oh, oh, oh, oh
Let's go
