

I Wish

DJ Ironik

i need you lot too listen too my story
its ironik

how could you tell my angel left me now im leaving in hell, i cant write any good music anymore and its like im stuck living in jail. im stuck at 6 bars i tried too write more but my consionce yells, 'no i cant leave her' 'no i'll go back' coz you know that i know that she ..?

without her i lived in space, i tried too fill it up but im filling with waste, you know i thought pride would fill it up, i guess love cant get filled once cut.

baby i dont wanna trip im gone forever if i disapear in the mist

but before we kiss please tell me your wish, i wanna know your wish please tell me.

(Kate Nash)

i wish my smile was your favourite kind of smile, i wish the way that i dressed was your favourite kind of style, i wish you couldnt figure me out but you'd always wanna know what i was about.

(Ironik)

i still wanna know
please tell me

(Kate Nash)

i wish you'd hold my hand, when i was upset, i wish you'd never forget.

(Ironik)

im sorry that i never knew, my mind has never thought about leaving you. and now i have wishes too, if only everyone knew you was my boo. i wish that your wish come true i tell my lucky star that i wish for you and i wish all the best for you even on my birthday i wish for you. i close my eyes and picture you blow the candles and wish for you, no more lies i'll tell the truth, baby girl i wish for you
i wish that my mum could of met you and i wish that my friends would respect you, i wish you would stay with me, i need love, i wish you would lay with me, please tell me your wish.

(Kate Nash)

i wish that you needed me, i wish that you knew when i said 2 sugars actually i meant three, i wish that without me your heart would break, i wish that without me you'd be spending the rest

of your nights awake. i wish that without me you couldnt eat,
yeah i wish i was the last thing on your mind before you went t
oo sleep.

(Dj Ironik)

you see babe i need your love, leona said i bleed your love, i
just wanna keep your love, and when your sick i'll treat your l
ove, give you deeper love. you've got the key too love, unlock
me and take off the cuffs. fly away so high up above all i know
is that i need your love. fly away towards the sun and let tim
e fly towards the sun. for a daughter or either one coz in my e
yes you are the perfect mum. i wish that this is the matrix and
im neyo the perfect one. im no-one i cant be someone, but if i
m someone i know i can have something - your love.

(Kate Nash)

i wish my smile was your favourite kind of smile, i wish the wa
y that i dressed was your favourite kind of style, i wish you c
ouldnt figure me out but you'd always wanna know what i was abo
ut.
