

# I've Been Trying

DJ Shadow

Hi kitten, this ones for you...  
I've been trying to get you to love me  
I've been trying to get you to care  
Put forth a lot of effort  
But I just don't seem to get nowhere  
I've been trying to get you to love me  
I've been trying to get you to care  
Put forth a lot of effort  
But I just don't seem to get nowhere  
I've been trying to get you to love me  
I've been trying to get you to care  
Put forth a lot of effort  
But I just don't seem to get nowhere
