

## Prayer III

DMX

Let us pray  
Lord Jesus it is you who wakes me up everyday  
And I am grateful for your love this is why I pray  
You let me touch so many people and it's all for the good  
I influence so many children I never thought I would  
And I couldn't take credit for the love they get  
Because it all comes from you Lord  
I'm just the one that's giving it  
And when it seems like the pressure gets to be too much  
I take time out and pray and I said you be my crutch  
Lord I am not perfect by a long shot I confess to you daily  
But I work hard everyday and I hope that you hear me  
In my heart I mean well but if you help me grow  
Then what I have in my heart will begin to show  
And when I get going I'm not looking back for nothing  
Cause I would know where I am headed I'm so tired of suffering  
I stand before you a weakened version of your reflection  
Begging for direction for my soul needs resurrection  
I don't deserve what you give me but you never took it from me  
Because I am grateful and I use it and I do not worship money  
And if you want for me is to bring your children to you  
My regret is only having one life to do it instead of two  
Amen
