

# You Must Come in at the Door

Doc Watson

Oh, the Baptists go by water and the Methodists go by land  
But I'll tell you, my friends, if you wanna get to heaven, well  
, you gotta go hand in hand  
As Jesus taught the people by the sea of Galilee  
He said, "I'm the door that leads to Heaven and you must come i  
n by me"

And it's so low, you can't get under it  
So high, you can't climb over it  
So wide, you'll never get around it  
You must come in at the door  
You may talk about me, my brother, just as much as ever you ple  
ase  
If I talk about you, it'll be to the Lord when I get down on my  
knees  
Old Satan, he's a liar and he wears a hypocrite's shoes  
And if you don't watch your step today, he'll slip it right on  
you

The door's so low, you can't get under it  
So high, you can't climb over it  
So wide, you'll never get around it  
You must come in at the door

Don't let old Satan fool you, or brother, you'll find out  
When the day of judgement comes around, your sins are gonna loc  
k you out  
He can talk just like an angel, but don't you believe a word  
As a matter of fact, he'll steal your soul if you don't put you  
r trust in the Lord

The door's so low that you can't get under it  
So high, you can't climb over it  
So wide, you'll never get around it  
You must come in at the door
