

# He Would Know

**Dolly Parton**

In my mind I've made love to you often but only in my mind can  
it be so  
Cause there's someone at home that's countin' on me  
And if I did I'm sure that he would know  
Yes he would know yes he could tell  
For he has loved me long enough to know me very well  
And if I lie he sees it in my eyes I know my guilt would show a  
nd he would know  
But I must admit you're someone very special and it would be so  
easy to let go  
Making love to you could be so easy but if I did I'm sure that  
he would know  
Yes he would know...  
My conscience just won't let me make love to you  
I know it would be sweet but I just can't  
When I go home to him I must be able to look him in the eyes an  
d say I ain't  
Cause he would know...
