

## It Ain't Fair That It Ain't Right

Dolly Parton

It ain't fair for you to leave me cold and cryin' in the night  
It ain't fair to take your body from my arms and out of sight  
It ain't fair you've gone and left me where you kissed me I still burn  
Are you leaving for my loving this awful hurt and then return  
It ain't fair for you to leave me alone to face the morning light  
It ain't fair you took my body and then to say that it ain't right  
It ain't fair you've made me your woman a no longer a good girl  
in your eyes  
How come before you said you'd love me it ain't fair that it ain't right  
It just ain't fair that it ain't right
