It's Such a Heartache

Dolly Parton

Each time I dial your number I never get an answer It seems like you're avoiding me I can't take unhappy endings so I just keep pretending You'll see the light eventually Can't stop my heart from breaking, can't stop my hands from sha kinq Can't keep my eyes from crying, can't believe your love is dyin α Can't stop the rain from falling, no answer when I'm calling My love, it's so confusing, it's such a heartache losin' you Feels like some tragic movie please say you'll come back to me Dreamin' of you night after night I'm havin' trouble sleepin Your memory is keepin' these feelings runnin' through my mind Can't stop my heart from breaking, can't stop my hands from sha king Can't keep my eyes from crying, can't believe your love is dyin q Can't stop the rain from falling, no answer when I'm calling My love, it's so confusing, it's such a heartache losin' you It's such a heartache, I don't know what to do It's such a heartache and it's tearin' me in two You took away the dream I wanted more than anything Can't stop my heart from breaking, can't stop my hands from sha king Can't keep my eyes from crying, can't believe your love is dyin q Can't stop the rain from falling, no answer when I'm calling My love, it's so confusing, it's such a heartache losin' you Can't stop my heart from breaking, can't stop my hands from sha king Can't keep my eyes from crying, can't believe your love is dyin q Can't stop the rain from falling, no answer when I'm calling My love, it's so confusing, it's such a heartache losin' you
