

Keep on the Firing Line

Dolly Parton

If you're in the battle for the Lord and right
Keep on the firing line
If you win, my brother, surely you must fight
Keep on the firing line
There are many dangers that we all must face
If we die still fighting it is no disgrace
Cowards in the service will not find a place
Keep on the firing line

God will only use the soldier He can trust
Keep on the firing line
If you'll wear a crown then bear the cross you must
Keep on the firing line
Life is but to labor for the Master dear
Help to banish evil and to spread good cheer
Great you'll be rewarded for your service here
So keep on the firing line

Oh, keep on the firing
Keep on the firing, keep on the firing line
Keep on the firing
Keep on the firing, keep on the firing line

Oh, keep on the firing line, my brother
Keep on the firing line
If you are my brother, surely you will survive
So keep on the firing line
Oh, keep on the firing line, hallelujah
Keep on the firing line
You will be rewarded, son of God is here
So keep on the firing line
Oh, keep on the firing line
Keep on the firing line
With a shot of luck, we'll all love again
So keep on the firing line
Keep on the firing line
Keep on, keep on the firing line
If you are my brother, surely you must survive
So keep on the firing line
