Put a Little Love in Your Heart

Dolly Parton

Think of your fellow man Lend him a helping hand Put a little love in your heart You see it's getting late Oh, please don't hesitate Put a little love in your heart

And the world will be a better place And the world will be a better place For you and me You just wait and see

Another day goes by And still the children cry Put a little love in your heart If you want the world to know We won't let hatred grow Put a little love in your heart

And the world will be a better place And the world will be a better place For you and me You just wait and see, wait and see

Take a good look around And if you're lookin' down Put a little love in your heart And I hope when you decide Kindness will be your guide Put a little love in your heart

And the world will be a better place And the world will be a better place For you and me You just wait and see Put a little love in your heart Each and every day Put a little love in your heart There's got to be a better way Put a little love in your heart Don't you think it's time we start Put a little love in your heart
