## Put it Off Until Tomorrow

Put it off until tomorrow Wo-wo You've hurt me enough today You say our love is over That you have found another You say you're going away

But leave me tomorrow Wo-wo You've hurt me enough today

You've hurt me enough today I can't believe the words you say But I must accept the fact You won't be coming back

Oh stay Stay just one more day Loneliness isn't far away

Put it off until tomorrow Wo-wo You've hurt me enough today Put it off until tomorrow Wo-wo You've hurt me enough today **Dolly Parton**
