

# Runaway Feelin'

Dolly Parton

Got a crazy, restless feelin'  
I cannot be consoled  
Got an itchy urge to up and run  
I think I've lost control  
You do something to me  
Something that I really can't explain  
I ain't felt like this since I've been a kid  
And I never thought I'd feel this much again

I've got that runaway feelin'  
Like to grab you up  
Just run off, footloose and fancy free  
Yeah, that thought's appealing  
That runaway feelin's let my feelin's run away with me

I get all swimmy-headed everytime I look at you  
Though love has blurred my vision, I still enjoy the view  
Like Elvis and his hound dog, in a deep fog  
I keep a 'runnin' after you  
I thought I'd been in love before  
But before doesn't matter anymore

I've got that runaway feelin'  
Like to grab you up  
Just run off, footloose and fancy free  
Yeah, that thought's appealing  
That runaway feelin's let my feelin's run away with me

Ah, run with it, boys

I've got that runaway feelin'  
Like to grab you up  
Just run off, footloose and fancy free  
Yeah, that thought's appealing  
That runaway feelin's let my feelin's run away with me

I've got that runaway feelin' (runaway)  
Runaway feelin' (runaway)  
Won't you run away with me
