

Shine

Dolly Parton

Gimme a word, gimme a sign
Show me where to look
And tell me what will I find
What will I find
Lay me on the ground
Fly me in the sky
Show me where to look
And tell me what will I find
What will I find

Yeah, oh
Heaven let your light shine down, ohh
Heaven let your light shine down, ohh
Heaven let your light shine down, ohh
Heaven let your light shine

Love is in the water
Love is in the air
Show me where to go
And tell me will love be there
Will love be there
Teach me how to speak
Teach me how to share
Teach me where to go
And tell me will love be there
Will love be there

Yeah, oh
Heaven let your light shine down, ohh
Heaven let your light shine down, ohh
Heaven let your light shine down, ohh
Heaven let your light shine

Gimme a word, gimme a sign
Show me where to look
And tell me what will I find
What will I find
Lord, teach me how to speak
Teach me how to share
Teach me where to go
And tell me will love be there
Will love be there

Yeah, oh
Heaven let your light shine down, ohh
Heaven let your light shine down, ohh
Heaven let your light shine down, ohh
Heaven let your light shine

Oh, heaven let your light shine down
Let it shine, let it shine, let it shine
Heaven let your light shine down
Let it shine
Heaven let your light shine down
Shine, heaven let your light shine down
Heaven let your light shine down

Shine, shine
Just gimme a word
Gimme a sign, shine
Let it shine, let it shine
Teach me how to share
Teach me where to go
Tell me will love be there, shine
