Chromed out Bimmers  
Gold Alpinas  
Chromed out Bimmers  
Chromed out Bimmers, chromed out Bimmers

She just wanna fuck with me  
Cuz she know I'm living comfortably  
Her homegirl be tryna fuck with me  
But she ain't never had no luck with me  
Girl I know you're ready for it  
But I'mma make you beg me for it  
You want me, I already know it  
She tell me I can fill that void  
I play that Stevie Wonder "Overjoyed"  
Cuz she be making over-noise  
I think I made her blow her voice  
That pussy getting over-moist  
Call me when you wanna see me  
I'm everywhere just come and see me  
I rub it like a fucking genie  
I said I rub it like a fucking genie  
Girl don't fucking tease me  
In this game it's too fucking easy  
I'm in Compton just bumping Eazy  
And these Chucks is so fucking geechi

We headed to the top with this  
I told her baby give my watch a kiss  
You know it ain't no stoppin this  
I'm feeling like 2Pac on this  
I fight the urge everyday  
I wanna bite your curves everyday  
You better give this heavy play  
Your ass could make the Chevy scrape  
Water makes the levees brake  
That Rollie with the prezi face  
Your body like a eighty-eighty  
I said your body like a eighty-eighty

I'm talking chromed out Bimmers  
On gold Alpinas  
With the chromed out speakers  
And the chromed out tweeters  
Them chromed out Bimmers

You know I had that 7 series  
Believe it was the 760  
All white with the beige guts  
Slide for my niggas that were caged up  
She know when I'm in stunt mode  
Real hoes know when I'm in stunt mode  
That Rolex rose gold  
Yeah, that Jesus piece hang low  
Them boys doing tax fraud  
Wanna swipe a young nigga black card  
I just bought another black R  
She just had to go and tat "R"

Random, but I'm in another tax bracket  
Nevermind me, I always fuck her ass backwards  
You know we run this rap game  
I couldn't run a lap on the track mane  
Run the rap game like a trap mane  
Fat nigga, fast money, just the facts mane  
Run the rap game like a trap mane  
Fat nigga, fast money, just the facts
