

Tryna Find My Way

Dom Kennedy

[H:]

When I first saw you
I didn't know what to say
I didn't know what to do
Tryna find my way

Girl, I'm all on you
I might even be late
But my love is the truth
I cannot be replaced
So let's do what we want
The day might come we can't
I'm always here for you
I can't forget the place

[H]

I wrote this song for you
I hope it finds your taste
I know it's overdue
Just hope it ain't too late
So let's stay up all night
The day might come we can't
I'm always here for you
I won't forget your face

[H]

I didn't know what to do
I didn't know what to say
When I first saw you
Just tryna find my way
