

Let You Get Away

Don Broco

I thought get to know you more,
Something else in common I can complement you on
We talk couldn't be so sure,
Question what to do we're getting nowhere and I'm gone

8 o'clock ticking to the middle of the night
9 o'clock ticking to the middle of the night
I hung around waiting, come the middle of the night your mine.

All of my days I don't know why I didn't let you get away
let you get away, Got to let you get away.
My days I don't know why I didn't let you get away,
let you get away, we put it on a plate so

It goes down, you don't like what you found,
It goes down, what's the matter with me?
I don't know why I didn't let you,
let you get away ay ay ay ay aaayy.

Don't like where we're sat at all,
say the place was better when you came here week before
Hold tight checking on your phone,
tryna meet your friend, send him three texts in a row

8 o'clock ticking to the middle of the night
9 o'clock ticking to the middle of the night
You hung around waiting, come the middle of the night your mine.

All of my days I don't know why I didn't let you get away
let you get away, Got to let you get away.
My days I don't know why I didn't let you get away,
let you get away, we put it on a plate so

It goes down, you don't like what you found,
It goes down, what's the matter with me?
I don't know why I didn't let you,
let you get away ay ay ay ay aaayy, ay ay ay ay aaayy.

I thought I'd don't know how to let you get away
There's know way I'd don't know how to let you get away
Put it on a plate

8 o'clock ticking to the middle of the night
9 o'clock ticking to the middle of the night
Before I knew what hit me it was the middle of the night.
All of my days I don't know why I didn't let you get away
let you get away, Got to let you get away.
My days I don't know why I didn't let you get away,
let you get away, we put it on a plate so
It goes down, you don't like what you found,
It goes down, what's the matter with me?
I don't know why I didn't let you,
let you get away ay ay ay ay aaayy, ay ay ay ay aaayy.
Let you get away
Let you get away ay ay
Let you get away.
