

Wrong Place Wrong Time

Don Broco

Big night, big winner
A-wo-oh-oh a-wo-oh-oh
His pint, your leather
And then you'll fight, and then we'll go
Well you start knowing you're not gonna finish
I spy with my little eye, you don't

In the wrong place at the wrong time's how you put it
You can't stay away from, you can't stay away from
In the wrong the place at the wrong time, every time

More wine, no dinner
A-wo-oh-oh a-wo-oh-oh
Whole night, babysitting
When you cry, is when we go
All smiles in the morning, won't admit it
I spy with my little eye

In the wrong place at the wrong time's how you put it
You can't stay away from, you can't stay away from
In the wrong the place at the wrong time, every night
In the wrong place at the wrong time, always stuck in the wrong place
(You can't stay away from)
In the wrong place at the wrong time, every time

(And now I'm tellin' ya)
Not staying no we're, not staying away
(That's what I'm tellin' ya-ah)
Not staying no we're, no you can't stay away

I spy with my little eye
Keep your hair down boy, make you feel much better
Oh I spy with my little eye
You can let your hair down girl, but you feel much better
But you feel much better if you don't

Always stuck in, oh you're always stuck in
Always stuck in, oh oh oh

In the wrong place at the wrong time, always stuck in the wrong place
In the wrong place at the wrong time, every time
(And now I'm tellin' ya)
Not staying no we're, not staying away
(That's what I'm tellin' ya)
Not staying no we're, no you can't stay away
Not staying no you're, not staying away
(That's what I'm tellin' ya)
Not staying no we're, no you can't stay away
