Even Tho'

Don Gibson

Even tho you took the sunshine out of my heaven

Even tho you took the twinkle out of my eyes

I will always be in love with you my darling even tho I sit and wonder if I'm wise

Since the day that you first told me that you love me I have been head over heels in love with you Now you say our little romance has to end dear Now I walk the floor and wonder what I'll do There was a time when in my heart I didn't doubt you Now I'm never sure of what you say or do For everytime time I try to I put my arms around you Something tells me that you're not the same ole you Even tho you took the sunshine...
