## **No Doubt About It**

Don Gibson

There's no doubt about it I know this time I saw for the first time you're his you're not mine There's no doubt about it I've reached the end of my life I've lost my whole world this time Yes and I bow my head and cry And I can't help but hurt and wonder why There's no doubt about it I've reached the end of my life I've lost my whole world this time Yes and I bow my head and cry...
