

I'll Say Yes

Don Moen

My heart is humbled
I've heard You speak
There's no denying
You're calling me
To follow You, Lord
As You lead me to life
And casting aside any fear, any pride

I'll say yes, Lord
I'll say yes
I surrender to Your Word
To the truth that I have heard
I'll say yes, Lord
I'll say yes
I will follow You in faith
And I walk in all Your ways
I'll obey
I'll say yes

Here in Your presence
I am complete
Your spirit is stirring
You're calling me
So I give You my heart
I offer my life
And casting aside any fear, any pride

I'll say yes
I'll say yes
I'll say yes
I'll say yes

To Your will
To Your ways
To Your purpose, Lord
Everyday of my life
Lord, I'm living for You

Whatever You need
Whatever You say
Wherever You lead
I will obey
Yes to Your will
Yes to Your ways
I'm gonna serve You
All of my days
