

Think About His Love

Don Moen

Think about His love, think about His goodness
Think about His grace that's brought us through
For as high as the heavens above
So great is the measure of our father's love
Great is the measure of our Father's love
So great is the measure of our Father's love

How could I forget His love
And how could I forget His mercies
He satisfies, He satisfies, He satisfies my desires

Think about His love, think about His goodness
Think about His grace that's brought us through
For as high as the heavens above
So great is the measure of our father's love
Great is the measure of our Father's love

Great is the measure
Great is the measure
Great is the measure
Great is the measure of our Father's love
Great is the measure of our Father's love
