

# You Are Eternal

Don Moen

You are Eternal unchanging  
Your love forever  
Will be unfailing  
I can see  
You have a covenant with me  
You are eternal  
Forever You will be my God

You are eternal unchanging  
Your thoughts  
And marvelous ways  
Amazing to me  
You will provide  
For every need  
You are eternal  
Forever you will be my God

You are eternal unchanging  
And there is no shadow  
Of turning with You  
O it's true  
I have a covenant with You  
You are eternal  
Forever You will be my God

You will ever be the same  
You are a God  
Who cannot change  
And You have promised  
You'll never forsake us  
You have called us  
By Your name
