

## Think Twice

Donald Byrd

Maybe we oughta think twice  
Before we start something nice  
No need to sacrifice the spice  
In our lives, ooh  
Your love's like fire and ice, pretty baby  
That's why we oughta think twice  
Before we start something nice  
Think twice, think twice  
I really love you  
You know I do  
I really love you  
You know it's true  
I really love you  
You know I do  
I really love you  
You know it's true  
Maybe we oughta think twice  
Before we start something nice  
No need to sacrifice the spice  
In our lives, ooh  
Your love's like fire and ice  
That's why we oughta think twice  
Before we start something nice  
Think twice, think twice  
I really love you  
You know I do  
Said I really love you  
You know it's true  
I really love you  
You know I do  
I said, I really love you  
You know it's true  
I really love you  
You know I do  
I said, I really love you  
You know it's true  
You know, I love you, baby  
You know I do, think twice  
I really love you, baby  
You know I do, think twice  
I really love you, baby  
You know it's true, think twice  
You know, I love you, baby  
You know I do, think twice
