

Promise Kept

Donkeyboy

Compensation for what I've done
Well, I don't know ... (bodies) wash you ...
It's getting difficult to breath
But I keep my head (a little) high

Will I be myself again
Will my heart beat in the end

Sh... you ... life ok
Always on time control
With you
Everything place alone

Can you please forgive me
Now that I know I've (been) more
Alone I cannot conquer the Earth
Alone I cannot conquer the Earth

Sh... you ... life ok
Always on time control
With you
Everything place alone

Sh... you ... life ok
Always on time control
With you
Everything place alone
