

# Walk On (Keep on Movin')

Donna Summer

Walk on  
Walk on  
Walk on

Keep on walking and don't look back  
You gotta keep on down the track  
The future's yours to shape and mold  
The past is past beyond control

So walk on  
Walk on  
Baby, walk on  
Walk on

Walk on  
Walk on  
Walk on

You gotta struggle up them hills  
To realize the downward thrill  
When night confuses where you are  
Then just look up at that guiding star

So walk on  
Walk on  
Baby, walk on

Baby, baby let me walk with you  
(Walk on)  
Baby, baby, let me walk  
(Walk on)

Baby, baby let me walk with you  
(Walk on)  
Baby, baby, let me walk  
(Walk on)

Baby, baby let me walk with you  
(Walk on)  
Baby, baby, let me walk  
(Walk on)

The wind may blow the sky may fall  
But if you're strong you'll go through it all  
And just as long as your aim is true  
There'll come a day your goal's in view  
So come on

Baby, baby, let me walk with you  
Baby, baby, let me walk

Baby, baby, let me walk with you  
(Walk on)  
Baby, baby, let me walk  
(Keep on moving)  
Baby, baby, let me walk with you  
(Keep on moving)

Baby, baby, let me walk  
(Walk on)

And when you reach where you belong  
You'll find it's where you first started from  
And through it all you're still the same  
You swear it's them not you who's changed

So walk on, walk on, walk on  
Keep on moving, keep on moving  
Keep on moving, keep on moving

Just keep on moving, yeah  
Walk on  
Better keep on moving, yeah  
Walk on, walk on  
Baby, walk on
