

# This Is The Moment

Donny Osmond

This is the moment; this is the day  
This is the moment when I know I'm on my way  
Every endeavor I have made ever  
Is coming into play, is here and now today.

This is the moment, this is the time  
When the momentum and the moment are in rhyme  
Give me this moment, this momentous moment;  
I'll gather up my past, and make some sense at last.

This is the moment, when all I've done  
All of the dreaming, scheming and screaming becomes one.  
This is the day, just see it shine  
When all I've lived for becomes mine.

This is the moment, this is the hour  
When I can open tomorrow like a flower.  
And put my hand to, everything I've planned to  
Fulfill my grand design; see all my stars align;

This is the moment, my final test;  
Destiny beckoned, I never reckoned second best.  
I won't look down, I must not fall;  
This is the moment, the sweetest moment of them all.

This is the moment, forget all the odds  
This day or never I'll sit forever with the gods.  
When I look back I will recall, moment for moment  
This was the moment,  
The greatest moment of them all.
