

When I Need You

Donny Osmond

When I need you
I just close my eyes and I'm with you
And all that I so wanna give you
It's only a heartbeat away

When I need love
I hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and day

Miles and miles of empty space in between us
The telephone can't take the place of your smile
But you know I won't be travelin' forever
It's cold out but hold out and do I like I do

When I need you
I just close my eyes, I'm with you
And all that I so wanna give you, baby
It's only a heartbeat away

It's not easy when the road is your driver
Honey, that's a heavy load that we bear
But you know I won't be traveling a lifetime
It's cold out but hold out and do like I do

Oh, I need you

When I need love
I hold out my hand and I touch love
I never knew there was so much love
Keeping me warm night and day

I just hold out my hand, I just hold out my hand
And I'm with you darlin' and I'm with you
And all I wanna give you
It's only a heartbeat away

Oh, when I need you, when I need you, baby
I hold out my hand, you're by my side
Keepin' me warm night and day, oh, baby
When I need you
