why can't we just bury the hatchet instead of dancing on each other's grave? i'm sick of listening to the gun-fire there's got to be something more important these days are hard on everybody and we had better try to ease the pain the bigger enemies are out there don't let it all go down the drain can't we just get it right? do we have to play the fool? can't we just get it right and stand together side by side, yeah i thought we were all in this together one million people standing up for one why can't we get our shit together? how hard can we try to fuck it up? get it right now why can't we just get it right together side by side one for all (yeah) all for one (right)
