

Fishes in Love

Donovan

The FISHES are IN LOVE with the water
The birds are in love with the air
he rain's in love with the flowers
And there's music averywhere.

The clouds are in love with the mountain
The trees are in love with the hill
Dad's in love with his countin'
An Mum's in love with the pill

la, la, la, la, la, la, la, la, la.
