

Keep on Truckin'

Donovan

Keep on truckin', mama, truckin' your blues away
Keep on truckin', mama, truckin' till the break of day
You wake up in the mornin', you always wake up late
You go down to the corner, try to get yourself a date
If you can't stop doin' what you doin' me
Just wanna run me wild

If you can't stop doin' what you doin' me mama, I mean just
what I say
If you can't stop doin' what you doin' me, just wanna run me ou
t
You got great big legs, pretty little feet
Talkin' about you is sweet, sweet
If you can't stop doin' what you doin' me
Just wanna run me wild

If you can't stop doin' what you doin' to me mama, just wanna
run me wild
If you can't stop doin' what you doin' to me I mean just what I
say
You got great big legs, pretty little feet
I'm a-talkin' about you sweet, sweet
If you can't stop doin' what you doin' to me, mama
Just wanna run me wild

If you can't stop doin' what you doin' to me, mama, just wanna
run me wild, sing!
If you can't stop doin' what you doin' me, I mean just what I s
ay
You wake up in the mornin', wake up late
Go down to the corner, try to get yourself a date
If you can't stop doin' what you doin' to me
Just wanna run me wild
