Donovan

A hundred and eighty were challenged by Travis to die By a line that he drew with his sword as the battle drew nigh A man that crossed over the line was for glory And he that was left better fly And over the line crossed 179

Hey Up Santa Anna, they're killing your soldiers below So the rest of Texas will know And remember the Alamo

Jim Bowie lay dying, his blood and his powder were dry But his knife at the ready to take him a few in reply Young Davy Crockett lay laughing and dying The blood and the sweat in his eyes
For Texas and freedom no man was more willing to die

Hey Up Santa Anna, they're killing your soldiers below So the rest of Texas will know And remember the Alamo

A courier came to a battle once bloody and loud And found only skin and bones where he once left a crowd Fear not little darling of dying If this world be sovereign and free For we'll fight to the last for as long as liberty be

Hey Up Santa Anna, they're killing your soldiers below So the rest of Texas will know And remember the Alamo
