

## Teen Angel

Donovan

All the boys in the neighbourhood  
Would love you if they could  
But I'm easy  
But I'm easy  
But I'm easy.  
Now that you're in demand  
Handle it if you can  
'Cause it's easy  
'Cause it's easy  
'Cause it's easy.  
I'll take you anywhere,  
Buy ribbons for your hair.  
You need me anyway  
And you know what I'm going to do.  
Now the boys as you look about  
May be funny to work out  
But I'm easy  
But I'm easy  
But I'm easy
