Eyes of Silver

The Doobie Brothers

Eyes of silver, your mystic love I share
'Cause I'm hungry baby
For the love you give away
Kick out all that stupid pride
That's standin' in my way
Inside my loving eyes are open wide
Eyes of silver, on which I shall rely
Diamonds are forever, and gold can make you lie
But your eyes of silver shine on, shine on

Blades of steel have helped a man to conquer all Rubies by the hundreds fill the Taj Mahal Eyes of silver, you tell me what I need To bring this cold and lonely man Down to his bended knees Inside my lovin' arms are open wide For you eyes of silver On which I shall rely Diamonds and gold make you lie, lie, lie But your eyes of silver, they shine on, shine on Eyes of silver, baby, shine on, shine on Baby, shining, yeah yeah, yeah, baby shining
