

# South City Midnight Lady

The Doobie Brothers

**G** **C**  
Up all night I could not sleep  
**G** **C**  
The whiskey that I drank was cheap  
**G** **C** **D**  
With shakin' hands I wait and I lit up my last cigarette  
**G** **C**  
Well the sun came the night had fled  
**G** **C**  
And sleepy-eyed I reached my bed  
**G** **C** **G** **C** **G**  
I saw you sleepy dreamin there all covered and warm

R: South city midnight lady  
**B** **C**  
I'm much obliged to you  
**C** **Bm** **Am** **G** **C** **G**  
You sure have saved this man who's soul was in need  
**C** **Bm**  
I thought there was no reason  
**B** **C**  
all these things I do  
**C** **Bm** **Am** **G**  
But the smile that I said I've returned I'm with you

**G** **C**  
When day has left the night behind  
**G** **C**  
And shadows roll across my mind  
**G** **C** **D**  
sometimes find myself alone and out walking the street  
**G** **C**  
Yes and when I'm feelin' down and blue  
**G** **C**  
Then all I do is think of you  
**G** **C** **G** **C** **G**  
And all my foolish problems seem to fade away
