Come on give it up you got what's coming to you
F#m7 Em F#m7 Bm
No use for you to struggle now you're in too deep
F#m7 Em F#m7 Bm
Gonna be a long long time before you're through

Em F#m7 Bm
Changin wheels of fortune
Em F#m7 Bm F#m7
Driving us on and on
Em F#m7 Bm
Winning sometimes loosing
Em F#m7 Bm F#m7
As soon as it's here it's gone

G F#m7
I'm so tired of loosing
Em F#m7 F#
But I still play the game
G F#m7
And I know there's no reason
Em F#m7 F#
Still I go on searching just the same

Em F#m7 Bm
Well I kicked around your city, seen your vanity
F#m7 Em F#m7 Bm
Mr. society can you here me
F#m7 Em F#m7 Bm
You take your satisfaction and you cover all the action
F#m7 Em F#m7 Bm
But you know that it won't help you in the end
