

# You Spin Me Round

Dope

I, don't wanna know your name  
And I, don't want your private number, baby.  
All I know is that to me  
you look like your lots of fun,  
open up your lovin' arms  
yeah I want some want some

I set my sights on you  
(and no one else will do)  
and I, I 've got to have my way now, baby.  
All I know is that to me  
you look like your lots of fun,  
open up your lovin' arms,  
watch out, here I come.

You spin me right round, baby, right round  
like a record baby, right round round round.  
You spin me right round, baby, right round  
like a record baby, right round round round.

I, don't wanna be your friend now, baby  
well I, I wanna movin' just a little bit closer.  
All I know is that to me  
you look like your lots of fun,  
open up your lovin arms,  
watch out here I come.

You spin me right round, baby, right round  
like a record baby, right round round round.  
You spin me right round, baby, right round  
like a record baby, right round round round.

All I know is that to me,  
you look like your lots of fun,  
open up your lovin' arms,  
watch out here I come.

You spin me right round, baby, right round  
like a record baby, right round round round.  
You spin me right round, baby, right round  
like a record baby, right round round round.
