

# Make Someone Happy

Doris Day

The sound of applause is delicious  
It's a thrill to have the world at your feet  
The praise of the crowd, it's exciting  
But I've learned that's not what makes a life complete

There's one thing you can do for the rest of your days  
That's worth more than applause  
The screaming crowd, the bouquets...

Make someone happy  
Make just one someone happy  
Make just one heart the heart you sing to  
One smile that cheers you  
One face that lights when it nears you  
One man you're ev'rything to

Fame if you win it  
Comes and goes in a minute  
Where's the real stuff in life to cling to  
Love is the answer  
Someone to love is the answer  
Once you've found him, build your world around him

Make someone happy  
Make just one someone happy  
And you will be happy, too
