Sleepy Lagoon

A sleepy lagoon, a tropical moon and two on an island A sleepy lagoon and two hearts in tune in some lullaby land The fireflies' gleam reflects in the stream They sparkle and shimmer A star from on high falls out of the sky And slowly grows dimmer The leaves from the trees all dance in the breeze And float on the ripples We're deep in a spell as nightingales tell Of roses and dew The memory of this moment of love Will haunt me forever A tropical moon, a sleepy lagoon, And you

The memory of this moment of love Will haunt me forever A sleepy lagoon, a tropical moon, And you

La-da-da-da, Ha-ah-ah-ah, A sleepy lagoon, and you.
