

Metal Is My Alcohol

Doro

Metal is my alcohol, metal pure as rock 'n' roll
Metal is my alcohol, need to rock and roll
Metal is my alcohol, metal pure as rock 'n' roll
Metal is my alcohol, need to rock and roll

Es gibt nichts Besseres auf der Welt
Keine Liebe und auch kein Geld
Es macht mir Mut, tut mir gut
Adrenalin in meinem Blut

Metal is my alcohol, metal pure as rock 'n' roll
Metal is my alcohol, need to rock and roll
Metal is my alcohol, metal pure as rock 'n' roll
Metal is my alcohol, need to rock and roll

Don't need drugs, don't need love
All I need is to turn it up
The other chaps are feelin' good
The only way to relight the stove

Metal is my alcohol, metal pure as rock 'n' roll

Metal is my alcohol, need to rock and roll
Metal is my alcohol, metal pure as rock 'n' roll
Metal is my alcohol, need to rock and roll

Es gibt nichts Besseres auf der Welt
Keine Liebe und auch kein Geld
Ich will nur eines jeden Tag
Gut zu fühlen auf diese Art

Metal is my alcohol, metal pure as rock 'n' roll
Metal is my alcohol, need to rock and roll
Metal is my alcohol, metal pure as rock 'n' roll
Metal is my alcohol, need to rock and roll

Metal is my alcohol, metal pure as rock 'n' roll
Metal is my alcohol, need to rock and roll
Metal is my alcohol, metal pure as rock 'n' roll
Metal is my alcohol, need to rock and roll
