Colour Me

Dot Allison

Now I'm sliding It's intriguing So young yet Too old to learn That summer is the thirst The river always runs dry first You're in heaven This is heaven now You're in heaven You're in heaven This is heaven now You're in heaven As the tides they Draw and close And the seasons Turn again Will the moon still Wax and wane? Will you always Color the day? You're in heaven This is heaven now You're in heaven You're in heaven This is heaven now You're in heaven Now I'm sliding It's intriguing This is heaven now) So young yet Too old to learn That summer is the thirst The river always runs dry first You're in heaven This is heaven now You're in heaven You're in heaven This is heaven now You're in heaven You're in heaven This is heaven now You're in heaven You're in heaven This is heaven now

You're in heaven

You're in heaven This is heaven now You're in heaven
