Anytime

Dottie West

Anytime you're feeling lonely anytime you're feeling blue
And anytime you feel down hearted well that will prove your love for me is true
Anytime you're thinking bout me well that's the time I'll be thinking of you
So anytime you say that you want me back again
That's the time I'll come back home to you
Anytime you're thinking bout me that's the time thinking bout you
And anytime you say you want me back again
That's the time I'll come on back to you
That's the time I'll come running back to you
