

Tomorrow Never Comes

Dottie West

Oh, you tell me that you love me
Yes, you tell me that you care
That tomorrow we'll be married
But tomorrow's never there

Many weeks have I waited
And many, many long nights have I cried
Just to see that happy morning, happy morning
When I'd have you right by my side

But tomorrow never comes
No, no, no, tomorrow ain't ever, ever gonna come
Now you tell me, tell me, tell me you love me
And you say you want me
Oh, but tomorrow never comes
