

With or Without you

Double You

See the stone set in your eyes
See the thorn twist in your side
And I wait for you

With or without you, with or without you
With or without you, with or without you
With or without you, with or without you
With or without you, with or without you

See the stone set in your eyes
See the thorn twist in your side
And I wait for you

Sleight of hand and twist of fate
On a bed of nails she makes me wait
And I wait without you

With or without you, with or without you
With or without you, with or without you

Through the storm we reach the shore
You give it all but I want more
And I'm waiting for you

With or without you, with or without you
I can't live with or without you

And you give yourself away
And you give yourself away
And you give, and you give
And you give yourself away

My hands are tied
My body bruised she's got me with
Nothing to win
And nothing left to lose

With or without you, with or without you
With or without you, with or without you

And you give yourself away
And you give yourself away
And you give, and you give
And you give yourself away
