

Hogshead/Dogshead

Down

Hogshead- matted bastard...
Loading- pitchforks for war...
World-brain bite me...
Blood-red corner is the head of the dog...
Lantern- of spotlight habit...
Caved in- like an eggshell...
World-brain bite me...
Blood-mist color in the head of a hog...
Making a devil right...
Palm leaf wizard's smite (rides on...)
Making a devil right...
Annul the deep malign...

Put a match to the prisons...
But the damned can't burn despite...
Put a hammer to the human...
The reaper biding its time drops...
Dogshead- matter-factor...
Caved in- pitchforks of war...
World-brain bite me...
Blood-red corner is the head of the dog...
Blood-mist color in the head of a hog...
