Baby you remember the first time we met at home
Your love was full with sugar and spices
You give it to me one time
Mi love it two times
You give it to 3 times mi love it so nive

Mi love it to the bad
A say mi love it to the bone
Mi no mean to be greedy
But me love it for real
Baby you must understand mi sa African
When we love a good girl we love her for real

But that no mean say we must get married today
Oh tell me what you mean sweet sweet dalring

A mi say tell me what you mean, tell me what you mean

Baby oh how I'm gonna miss you
Today when I'm gone I'm gonna miss you so...
Gimme gimme gimme dat lovin
