

## In Love

Dr. Dog

I was looking for a girl  
But you're all I see  
I won't pay for you girl

I was looking for a choice  
So was all of me  
To say something girl  
Say something girl

(In love)  
I'd rather be with me  
(In love)  
I'd rather be with me  
(In love)  
I'd rather be with me

I was looking for a girl  
But you're all I see  
I can see something girl  
It needs something girl

I was looking for a choice  
So was all of me  
To say something girl  
Say something girl

(In love)  
I'd rather be with me  
(In love)  
I'd rather be with me  
(In love)  
I'd rather be with me

I'd rather, I'd rather be with me  
I'd rather, I'd rather be with me  
(In love)  
I'd rather, I'd rather be with me
