

# Baby Makes Her Blue Jeans Talk

Dr. Hook

Night falls on the city,  
baby feels the beat  
Slick and sexy angel  
of the street .  
The queen of all the night birds  
watch her when she walks .  
She don't say nothing  
but baby makes her blue jeans talk

Baby makes her blue jeans,  
yes she makes her blue jeans talk  
Baby makes her blue jeans,  
yes she makes her blue jeans talk  
You know what she's thinking about  
and it turns you inside out  
She don't say nothing but  
baby makes her blue jeans talk

Night time in the city  
magic in the air  
The action starts at midnight  
she'll be there .  
The queen of all the night birds  
a player in the dark  
She don't say nothing  
but baby makes her blue jeans talk

Baby makes her blue jeans,  
yes she makes her blue jeans talk  
Baby makes her blue jeans,  
yes she makes her blue jeans talk  
You know what she's thinking about  
and it turns you inside out  
She don't say nothing  
but baby makes her blue jeans talk

Baby makes her blue jeans,  
yes she makes her blue jeans talk  
Baby makes her blue jeans,  
yes she makes her blue jeans talk  
You know what she's thinking about  
and it turns you inside out  
She don't say nothing but,  
baby makes her blue jeans talk

She don't say nothing  
but baby makes her blue jeans talk  
She won't say nothing
