

Come On In

Dr. Hook

I don't know where you come from
and don't care where you been
If you're ever round my farm
wontcha come on in !

I don't know if you been wrong
Don't know if you been right
If you're ever round my farm
wontcha stop the night !

If you're a pretty little hippy
if you're hitchin' down the road
and you wanna hang it upo for the night
Look for the big green farm
with the red and yellow barn
just over to th eleft or the right .
Come and kick it with the chickens
come and ring bell
and we'll be as happy as hell . . . WELL !

I don't know where you slept last night
and I don't care what you said
if you're ever round my farm
you can share my bed !

I don't know what you're smokin'
or what you been learnin' in school
but if you're ever round my farm
you can F**k my mule ! ! ! !
