

Woman Is the Root of All Evil

Dr. John

Woman is the root of all evil
Money is bad, but it's legal
Women will drive you insane
Creatin disturbance in your brain
It takes kindness, coolness
If you wine and dine her

You run behind her
But she still remind yer
Woman is the root of all evil
And money is bad but it's legal

A one thing that I right can't stand
It is a stupid women and a foolish man

She won't give you a passing glance

If you try romance without finance
You're ol change is strange
And your money is funny
You won't stand a passing chance
She won't give you a passing glance

Beclus women is the root of all evil
And no money is bad but it's legal
And one thing that i right can't stand
Is a cheating woman and a stupid man
Confuse 'em, abuse 'em as she use them and loose them
If they don't maintain their cool
